LOCATION / SITUATION

Royal Tunbridge Wells is an affluent and historic spa town situated approximately 35 miles south east of central London. The Borough has a resident population of around 100,000.

The town is situated on the A26 which links via the A21 dual carriageway with Junction 5 of the M25 Motorway and has a frequent train service to the Capital (journey time of approximately 60 minutes).

Southborough is an outlying district of Royal Tunbridge Wells, approximately 3 miles north of the town centre and close to the junction of the A26 and the A21 (T).

The property enjoys a prominent position with frontage to the main A26 London Road and close to the Yew Tree Road pay and display car park.

DESCRIPTION

An imposing two-storey office building with gardens to front and rear. Enquiries of the TWBC planning portal indicate that the historic use was residential. Our client believes the property has potential to be converted to residential (subject to securing planning and any other consents that may be required).
