Bracketts are delighted to offer for sale this extended three-bedroom semi-detached house, situated in the desirable Village of Hadlow. Internally the property comprises living room, a further reception room which could also be used as an additional bedroom, family bathroom and a fantastic sized kitchen / dining space with vaulted ceiling and bifold doors opening up onto the rear garden. Upstairs there are three good sized bedrooms. Outside the property benefits from its generously sized plot, offering a large and enclosed rear garden as well as plenty of space for off road parking at the front and side of the property.

The property is within close proximity to Hadlow Village centre where there are local shops and amenities. Hadlow Primary School and Hadlow College are also close by and there are convenient transport links offering easy access into the nearby towns which provide further shops, schools and mainline stations. The property is being offered for sale with no onward chain and we would strongly recommend an internal inspection in order to appreciate the space it has to offer.
